MAYDELLE HIGH SCHOOL
Maydelle, Texas

FOREWORD

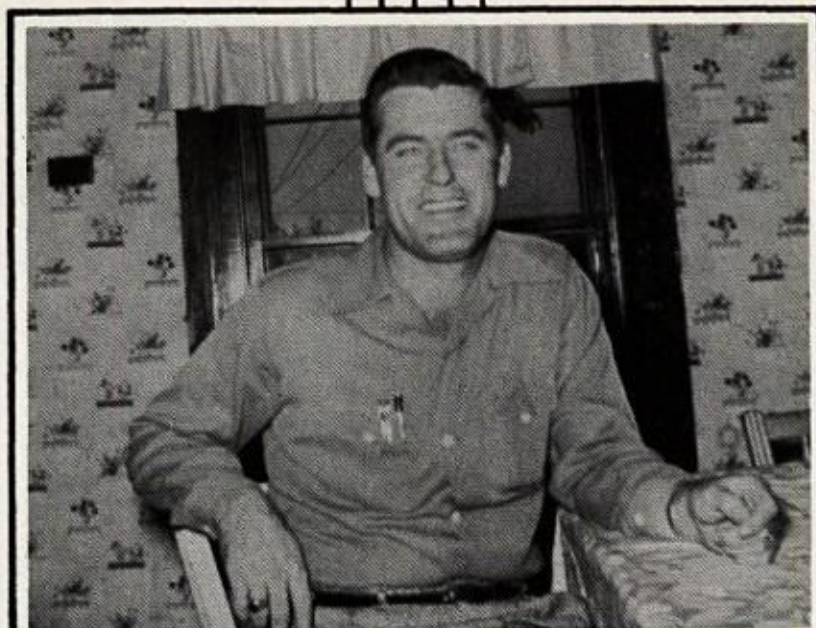

Speaking for the entire annual staff we wish to say that we hope you will truly enjoy this annual as much as we have enjoyed working, building it for you. It has truly been our pleasure.

We also hope that you patronize our advertisers. They also had a large hand in making this annual possible.

The Editor,

Royce Wilson

DEDICATION

To a most understanding teacher who rendered his service always to uphold the spirit of Maydelle School; to one who worked unceasingly for our improvement; to one who encouraged us in all our undertakings; who in all his years at Maydelle taught us willingly, faithfully, and with patience, we, the Annual Staff of 1956, proudly dedicate this edition of "The Lion's Roar" to-----

MR. J.B. LIGHT

SUPERINTENDENT'S

MESSAGE

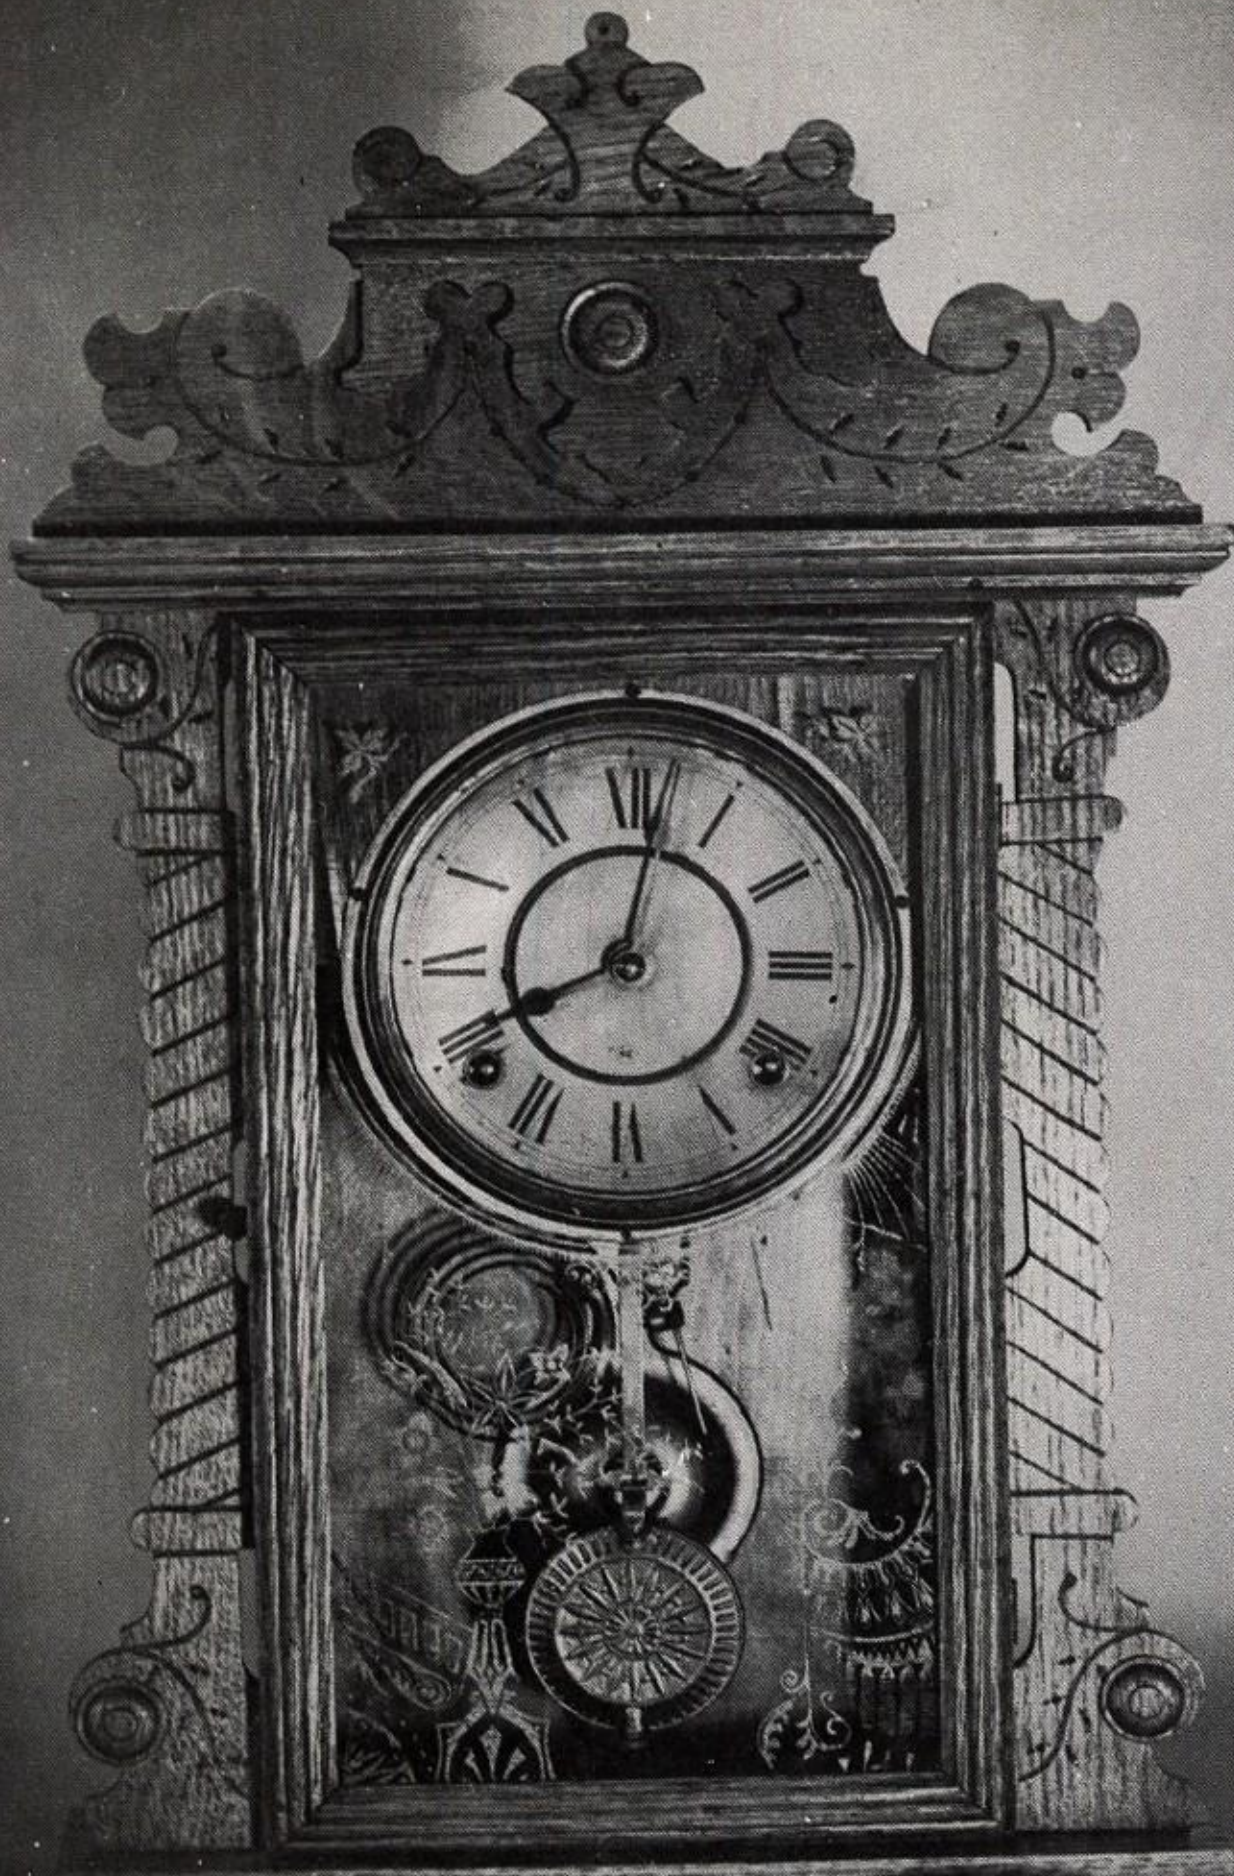

To the Annual Staff and Sponsor, I wish to express my sincere thanks and appreciation for making the 1956 annual of Maydelle School a great success.

My sincere wish to the students is that as they reach the declining years of life that looking through the annual of '56 will bring to their memory lots of pleasant thoughts of Maydelle High School during their school days.

It is our sincere hope that you who are leaving us, and you who shall remain, will have nourished your hopes and dreams, we hope we have helped plant in you the desire to become the worthwhile citizen and leader we know you are capable of being.

Sincerely,

A handwritten signature in dark ink, appearing to read "Floyd Nelson". The signature is written in a cursive, flowing style with a large, sweeping flourish at the end.

ADMINISTRATION

THE KEY TO OUR SUCCESSFUL SCHOOL

MR. WILLIAM W. WINDON JR.
Principal of Van High School

With understanding and patience Mr. William W. Windon Jr. has guided the students of Van High School through the past five years.

Besides being principal of our school, Mr. Windon is also President of the Boone County Principal's Association for the school year 1968-1969.

In the spring of 1968 he attended the National Association of Secondary School Principals at Atlantic City, New Jersey.

The students and faculty truly feel Mr. Windon is the key to the success of our school.

Always willing to lend a helping hand, Mrs. Ernestine Harper has become a valuable asset to our school. She joined the staff on October 26, 1967. Ernestine is married to one of our faculty members, Mr. Lee Harper.

The students of Van High are grateful for her friendly manner and concern for the well being of the school.

COMPETENCY AND EFFICIENCY

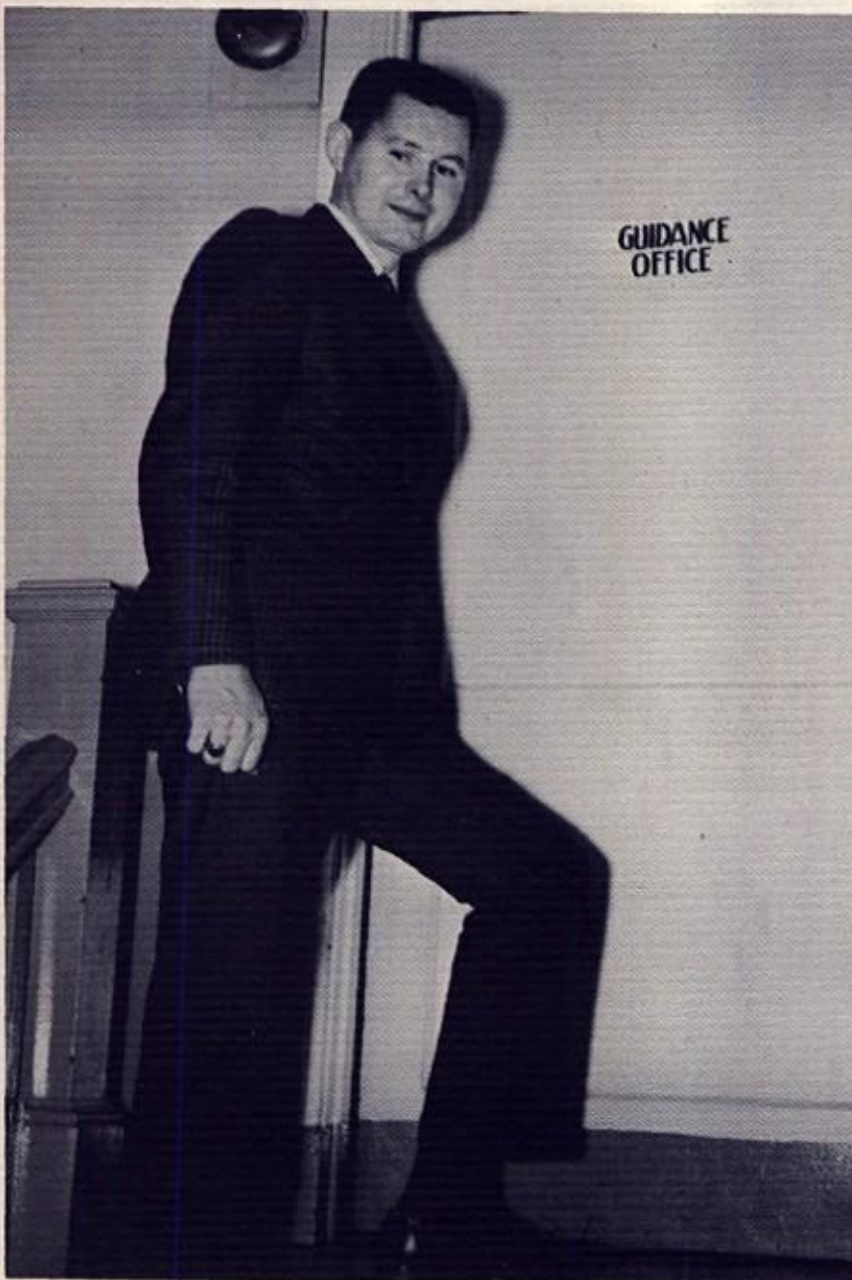

Greeting Everyone With A Smile.

MR. HOLSTEIN OPENS DOORS OF OPPORTUNITY

Lending good advice

Guidance services are designed to deal with the entire personality of the student. An effective guidance service depends upon the close co-operation of teachers as well as guidance personnel. It is the aim of this program to help design patterns of character, scholarship, and ambition.

Mr. Harold Holstein is Van High School's first full time guidance counselor. We feel he has organized an effective guidance program for our school. The students are grateful for his excellent counseling.

CONGRATULATIONS TO THE CLASS OF "69

**In 1882 Edison had
a great idea.**

**And it wasn't the
electric light.**

The whole idea of investor-ownership of electric light and power companies began when Thomas A. Edison and a group of investors financed his first power plant more than 80 years ago.

Since then, investor-owned companies like ours have become an integral part of America's Free Enterprise system. That explains why today we have at our fingertips more electric power than any other country in the world.

And it's this same Free Enterprise system that puts at *your* fingertips greater opportunity, greater expectation for success than can be hoped for by any other young people in the world.
